

Terms and Conditions of the Competition

Terms and Conditions of the Panda Challenge, organized by Panda Security, S.L.

PURPOSE: Panda Security, S.L., with registered offices in Gran Vía Diego López de Haro 4, 48001 Bilbao, Spain, has organized a competition called “Panda Challenge” through PandaLabs, its malware analysis and detection laboratory.

GEOGRAPHIC LIMITS: The competition is open to international users.

PERIOD: The competition will start on Tuesday, July 7, around 10.00 (GMT +1) and end on Tuesday, July 28 at 10.00 (GMT +1)

CONDITIONS: The competition is open worldwide to people aged 18 years or over and who accept these terms and conditions prior to taking part in each of the tests through the website www.pandalabs.com Employees of Panda Security and its National Organizations, their relatives and former Panda Security employees and their relatives cannot take part in the competition.

PandaLabs presents a challenge for users to show their knowledge and skills to decrypt codes. Participants will download three code files –each of them more difficult than the previous one– that will ask for a password. Participants will have to disassemble the code and find out the password. Then, they must email it to pandachallenge@pandasecurity.com within the appointed period. The winner of each test will be the person who first sends the correct password within the established period.

The three code files will be available on the competition website on different dates:

- First test: The code file will be available from Tuesday, July 7 at 10.00(GMT +1) until Tuesday, July 14 at 10.00 (GMT +1), the deadline for participants to submit the correct password.
- Second test: The code file will be available from Tuesday July 14 at 10.00 (GMT +1) until Tuesday July 21 at 10.00 (GMT +1), the deadline for participants to submit the correct password.
- Third test: The code file will be available from Tuesday, July 21 at 10.00 (GMT +1) until Tuesday 28 July at 10.00, the deadline for participants to submit the correct password.

Participants can only send one answer per test. If more than one answer is received from a specific participant, only the first one will be taken into consideration.

PRIZE: Panda Security will deliver the following prizes to the winner of each test:

- First test: Amazon Gift Card for €150
- Second test: Amazon Gift Card for €250
- Third test: Amazon Gift Card for €450

The first five people who send the right answer to each test will receive one year of free services of our new Panda Anvirus Pro for 2010.

Panda Security shall bear the costs of the prizes. Prizes shall be sent by email to the email address provided by each winner. Panda Security shall not be responsible for any problems that may arise from the purchase and shipping of the product through the Amazon website.

The rules and conditions of the prize drawing will be in accordance with applicable Spanish legislation.

COMMUNICATION OF WINNERS' NAMES AND PRIZE DELIVERY: The names of the winners of the different prizes will be notified personally by email within two weeks from the end of the competition, in a message sent to the address used by the participant to send their answers.

Winners must contact Panda, replying to this email message within 30 days of receiving it. If required, winners must identify themselves. Panda Security shall deliver the prize via e-mail within 30 days of reception of the winner's e-mail.

In the event that the winner, after 30 calendar days from receiving the notification email, has not replied to the email, the corresponding prize shall be declared void.

PROCESSING OF PERSONAL DATA:

In accordance with the Spanish Organic Law 15/1999, on the Protection of Personal Data, Panda Security informs you that data collected as a result of your participation in the present competition will be included in an automated data file belonging to Panda Security International, with registered offices at Gran Vía de Don Diego López de Haro 4, 48001 Bilbao, Spain, and will be processed by Panda Security in accordance with applicable legislation governing protection of personal data, in order to administer the different stages of the competition, as well as to send you marketing and/or promotional information that may be of interest to you, by any means including electronically. Panda Security guarantees that the participant may access, rectify, cancel and object to the data, as well as unsubscribing from all electronic communication, notifying Panda Security by sending an email to legal_affairs@pandasoftware.com; or by writing to the following address: Panda Security, Legal Affairs Office, Calle Gran Vía de Don Diego López de Haro 4, 48001 Bilbao, Spain, clearly indicating your first name, last name, postal address and email address.
